Hi Harold! Rev't 2

It was great talking to you on Friday. I'm trying to get lined up to be informed — and get copies — when ARRB releases happen. I will send you copies of whatever I get my hands on.

Here's an envelope for one copy of your Never Again! index — I'll just make a copy for Doug.

I spoke to him later on Friday and he sends his best wishes. We both hope to get to see you in October — and we both look forward to the index!

Thanks so much, hello to Lil, and take care!
